

KWS Educational Services Pupil Premium 2017-2018

Key priorities:

- Our core aim is to raise the attainment and progress of pupils eligible for pupil premium funding so that their performance compares favorably with Non-Pupil Premium peers.
- Address inequalities in education of pupils from low-income families and raise attainment of these pupils.

What we expect to see:

Outstanding teaching and learning is paramount to the progress of pupils from disadvantaged backgrounds. This remains a consistent and relentless focus. In addition to this, targeted intervention and support strategies are deployed in order to:

- improve levels of attainment and progress;
- close attainment gaps relative to school averages;
- enhance reading, writing, mathematics and communication skills;
- engage and develop learning through a comprehensive extra-curricular provision;
- have a clear focus on all disadvantaged pupils, including those with SEND and more able pupils and
- support pupils to become aspirational, confident and successful learners

Evaluation and impact of 2017/18

Strategic spending of the Pupil premium grant will ensure that pupils receive support and intervention tailored to their needs. Pupils eligible for Pupil Premium support are clearly identified across all year groups.
